

What's Happening

Spring Commencement

More than 3,600 students are set to graduate in two ceremonies at Spring Commencement June 11. The morning ceremony begins at 9 a.m., and the afternoon ceremony begins at 3 p.m. Both ceremonies will be held in Mustang Stadium.

President's Diversity Awards

Cal Poly President Warren J. Baker recognized the College of Science and Mathematics and Career Services as the recipients of the 2005 President's Diversity Award. The College of Science and Mathematics was honored for reaching out to minority students in California's public elementary, middle and high schools. Career Services was recognized for its efforts during the Winter Job Fair, where more than \$18,000 was raised for scholarships and programming in support of diversity. The department also sponsored a breakfast for students and employers to meet and talk about diversity efforts offered by various participating companies.

Cal Poly Report summer schedule

This is the last weekly issue of the *Cal Poly Report*. The *Report* will be published every other week during the summer term. The next issue will be published June 22 and then every two weeks thereafter, until fall quarter.

Three selected for Outstanding Staff Award

Three employees were chosen to receive the 2004-2005 Outstanding Staff Award: Sharon Arnold, administrative analyst/specialist in the College of Science and Mathematics; Prisila Johnson, administrative support coordinator in Food Science and Nutrition; and Dan Mull, information technology consultant in ITS-Media Distribution Services. Arnold has been at Cal Poly for over 17 years. Nominators said she is organized, efficient and uses humor to take the edge off stressful situations. Johnson came to Cal Poly in 1973 and was recognized as the "glue" that has held the department together through multiple leadership changes. Mull is celebrating his seventh year at the university. Nominators agreed that he serves the faculty and students on campus with "joyous enthusiasm."

Remember to pick up your new PolyCard

New PolyCards are available for pickup Monday-Friday, from 8 a.m.-4 p.m. in the Lighthouse Atrium (Bldg. 19) on an ongoing basis until all cards have been replaced or destroyed. Faculty, staff, emeritus employees and all non-graduating students are asked to bring their current PolyCard as a form of identification at time of pickup. After **June 13**, only the new PolyCard will work with supported campus services. For detailed information, visit <http://polycard.calpoly.edu>. Please note that any PolyCard with a printed or embedded Social Security number that remains in the possession of the specified user after **June 13** should be destroyed. Individual card carriers assume all liability for not doing so.

OCS migration to continue through summer

Migration of the campus community to the new Oracle Collaboration Suite (OCS) e-mail system is under way and will continue through the summer term. Those not yet migrated will be sent an initial instructional e-mail telling them what to do before and after migration.

To prepare for migration, visit <http://email.calpoly.edu/migration/> and click on "What to Expect Before, During and After the Migration." Users will receive three additional informational e-mail messages before their scheduled migration date. When migrated, individuals can access e-mail using the Web application on the campus portal at <http://my.calpoly.edu>.

In order to access e-mail using a desktop application, such as Microsoft Outlook, users will need to change their settings to point their application to the new system. To change settings, visit <http://email.calpoly.edu/> and select the appropriate application option under "Email Setup."

For help with a desktop application setup, contact your LAN coordinator or call the ITS Service Desk at ext. 6-7000; select option 1. LAN coordinators and ITS assistants will be available at the start of fall quarter to help answer setup questions and resolve migration issues, especially for faculty and staff who were away during the summer and unable to complete the process until fall. For more information about the e-mail migration to OCS, visit <http://email.calpoly.edu/>.
